This investigation was predicated upon a telephone call that was made by Congressman SAM STEIGER, Republican, State of Arizona, to ROBERT E. GEBHARDT, Special Agent in Charge, Federal Bureau of Investigation, Phoenix, Arizona during the late evening hours of August 17, 1970 where Congressman STEIGER informed that he was currently campaigning for re-election to Congress and that he had a source who in the recent past had turned over to him some tapes obtained from a "legal wire tap" since one party knew the conversation was being taped. Congressman STEIGER did not disclose the nature of the tapes except that they concerned various persons in Arizona. According to Congressman STEIGER this source was going to meet him during the late evening hours of August 17, 1970 to furnish him with tapes from illegal wire taps. Congressman STEIGER also informed that he had been in touch with a [redacted] of the Justice Department, Washington, D. C. prior to his departing Washington, who indicated an interest in the alleged wire tap matter. 8
9 EXAMINATION

10 BY [REDACTED]

b6
b7C

11 Q State your name, please.

12 A Sam Steiger --

13 [REDACTED] For purposes of the deposition
14 I think it should be noted on the record that the
15 Congressman reserves the right to sign the deposi-
16 tion, requests notice of filing, and with reference
17 to any objections, I take it largely they will be
18 taken care of as we go through the course of the
19 deposition; but I would like to make those state-
20 ments on the record.

21 Further, that the Congressman, of course,
22 is appearing here pursuant to the orders of the
23 Court which have been previously made.

24 THE COURT: A point that has been mentioned
25 to me: Does counsel have an objection to the
26 mailing of the deposition to Congressman Steiger

1 But again, I insist I am anticipating that my
2 questions are not going to be answered, but I don't
3 know how to make a record without asking them.

4 THE COURT: I didn't say you couldn't ask a
5 question. I'm simply sustaining the objection to
6 them; so go ahead.

7 BY [REDACTED]

8 Q Are you acquainted, Mr. Steiger, with
9 someone by the name of [REDACTED]

10 A Could be. I don't recognize the name.

11 Q Did [REDACTED] or any other person at
12 your request, or through your connivance --

13 [REDACTED] Right there we object to the
14 form of the question before it gets done, if it
15 please the Court -- "your connivance."

16 [REDACTED] Well, through any participation
17 by you in any way, did she make a trip to Washing-
18 ton, D. C. between the dates of July 12 and July
19 22, 1970?

20 THE WITNESS: I have no recollection of that
21 at all.

22 I wonder if I could confer with counsel.

23 THE COURT: Yes.

24 (Discussion off the record.)

25 BY [REDACTED]

26 Q Mr. Steiger, in order to avoid the

b6
b7C

b6
b7C

1 possibility of a name problem of this person I
2 would like to try to identify an individual regard-
3 less of her name, and then ask you whether or not
4 this person came to Washington under circumstances
5 in which you participated.

6 Did [] the Three Hundred Bowl,
7 which is a bowling alley operated by Emprise in
8 Phoenix, make a trip to Washington in connection
9 with any participation by you?

10 A I have no knowledge of it at all.

11 Q You do not know of any such thing?

12 A I do not.

13 Q Have you, Mr. Steiger, personally gone to
14 that place of business, that particular bowling
15 alley or alleys, and met with [] the
16 bowling alley at any time during the month of July,
17 1970?

18 [] I call the Court's attention to
19 the fact now we are talking about bowling alleys
20 and Yuma Greyhound Park is a racing enterprise up
21 there. This is really difficult for me to tie in
22 on a relevancy basis.

23 THE COURT: He may answer.

24 THE WITNESS: Did I go to the bowling alley?

25 Was that the question?

26 Q (Continuing) Yes.

157

1 A I have not been in that bowling alley to
2 the best of my knowledge for two or three years,
3 I would say.

4 Q Mr. Steiger, I don't want you to misunder-
5 stand the question. I didn't mean did you go
6 inside and bowl. I meant did you meet [REDACTED]
7 [REDACTED] the bowling alley at or near the alley?

8 A Absolutely not.

9 Q Mr. Steiger, do you have any connection
10 with gambling interests in Las Vegas?

11 [REDACTED] To which we would object as
12 being immaterial, if it please the Court. We
13 would just object.

14 It is completely immaterial and it is
15 completely, again, coming back to where the
16 Washington deposition finally arrived and this is
17 simply trying to embarrass or harass the Congress-
18 man.

19 THE COURT: Sustained.

20 [REDACTED] If the Court please, in view
21 of the statement that Mr. Steiger himself made
22 explaining his feelings about Emprise, I would
23 like for the record to show that we are resubmit-
24 ting the questions to which the Court has sustained
25 objections on the ground that they have now become
26 relevant and proper questions to explore because

BY [REDACTED]

Q And issue public statements, news releases?

A If I feel that there is something news-worthy to say about Emprise, I will say it.

Q If advised with regard to errors in your statements, do you intend to correct them?

[REDACTED] Again, we would object to that as being immaterial in this proceeding.

THE COURT: Sustained.

BY [REDACTED]

Q You have, I believe -- I'm not sure about this -- have you testified that your relationship with Hazel Park is one of the things upon which you rely for your criticism of Emprise?

[REDACTED] To which we object, if it please the Court.

THE COURT: Sustained.

Q (Continuing) Let me ask you this; Have you ever had a conversation with [REDACTED] Racing Commissioner of the State of Michigan?

A Yes.

Q When and where did that conversation take place?

A I have had several conversations with him on the phone. I could not give you the time exactly.

b6
b7C

1 Q Have you ever talked with him in person?

2 A No.

3 Q Have you specifically discussed with him
4 Hazel Park?

5 [REDACTED] To which we would object, Your
6 Honor, as being immaterial.

7 THE COURT: Sustained.

8 BY [REDACTED]

9 Q Are you aware, Mr. Steiger, that the then
10 Racing Commissioner, a [REDACTED] at the request
11 of Governor George Romney, conducted an investiga-
12 tion of Hazel Park and on February 13, 1964
13 submitted a report to Governor Romney?

14 [REDACTED] To which we would object.

15 THE COURT: Sustained.

16 Q (Continuing) "Are you aware that in that
17 report the State Racing Commissioner [REDACTED] stated
18 that he had gone over the report in detail with
19 Commissioner Child, Lieutenant [REDACTED] and
20 Detective Sergeant [REDACTED] (phonetic), of the
21 Michigan State Police? They have nothing in their
22 files inconsistent with my conclusions, nor have
23 they any suggestions for additions to this report."

24 [REDACTED] To which we object.

25 THE COURT: Same ruling.

26 Q (Continuing) Were you aware that the

b6
b7C

b6
b7C

1 report of [] concluded: "It is my opinion
2 that the Hazel Park Racing Association has
3 conducted its racing operations in an efficient,
4 lawful manner in conformity with the rules and
5 regulations of the Racing Commission and statutes
6 of the State. This opinion is confirmed by a
7 former Racing Commissioner and my experienced
8 officials and members of our staff whose duty it
9 is to see that such rules, regulations, and laws
10 are complied with -- "

11 [] To which we object.

12 [] I haven't finished.

13 "The Detroit Police Department, which has
14 cooperated with us completely from the beginning
15 of this investigation in analyzing and examining
16 evidence and information, has closed its investiga-
17 tion of Hazel Park, according to an official
18 communication received by us January 22, 1964.

19 This Commission asked for a conclusion as to
20 whether there is any evidence that Hazel Park
21 Racing Association or any of its officers or
22 directors are or have violated the criminal laws
23 of this State in the conduct of horse racing.

24 "The Detroit Police Department's answer,
25 through its Commissioner, is that it did not
26 detect criminal activity."

1 Are you aware of that report?

2 [REDACTED] To which we would object.

3 THE COURT: Sustained.

4 BY [REDACTED]

5 Q Mr. Steiger, are you aware of any criminal
6 activity on the part of any member of the [REDACTED]
7 family?

8 [REDACTED] To which we would object, if it
9 please the Court.

10 THE COURT: Sustained.

11 Q (Continuing) Mr. Steiger, are you
12 acquainted with someone by the name of [REDACTED]

13 A No, sir.

14 Q You have no acquaintanceship with him?

15 A No, sir.

16 Q Ever had any business dealings of any kind
17 with him?

18 A No, sir.

19 Q Have you ever received money for campaign
20 contributions, or any other reason, from any of
21 the defendants in this lawsuit?

22 [REDACTED] Your Honor, some of the defend-
23 ants have been dismissed. Some of them perhaps
24 may not be known to Congressman Steiger. Perhaps
25 he can go through the list.

26 THE COURT: I think he can answer that.

For information, the identity of the supposed person who admitted the alleged wire tapper to the Federal Building has not been determined. All maintenance employees of the Federal Building are GSA employees. The personnel of the maintenance source who possess a master key have been interviewed with no positive information obtained. It is noted the wire tap had to take place in the phone closet on the Fifth Floor where Congressman Steiger's office is located. This closet takes a master key to open.

Departmental Attorney [REDACTED] arrived in Phoenix on November 8, 1970, and held a two-day Federal Grand Jury hearing on captioned matter. At this time records of [REDACTED] were subpoenaed and produced by attorney [REDACTED].
